Wherever you go in the Mara you will see a frequent amount of wildlife such as Maasai giraffe, baboons, warthogs, bat eared foxes, grey jackals, spotted hyena, topis, impala, hartebeests, wildebeest. Elephants, buffaloes, zebras and hippos also exist in great numbers.

It is also common to see lions either basking after a heavy meal, or surveying the plains for their next meal.

Cheetahs and leopards are also reasonably common.
